

State Employee Van Pool

**Are you interested in an
economical shared ride to
work?**

Fleet Link may be your answer.

This is the State of Delaware Employee Van Pool Program which is open to all State of Delaware Employees.

The program is completely shared by the ridership and is a pre-tax benefit that provides a commute to work. One monthly fee provides gas, vehicle maintenance, 24 hr roadside service, quality vans and a guaranteed ride home.

Don't worry if you have an emergency - we can get you back to your vehicle with the Guaranteed Ride Home benefit.
