### Condition Codes for Excess Property

- |    |             |  |
|----|-------------|--|
| A. | UNUSED GOOD | Unused property that is usable without repairs.  |
| B. | UNUSED FAIR | Unused property that is usable without repairs, but is deteriorated or damaged.  |
| C. | UNUSED POOR | Unused property that is usable without repairs, but is considerably deteriorated or damaged. Enough utility remains to classify the property better than salvage.  |
| D. | USED GOOD   | Used property that is usable without repairs, and most of its useful life remains.   |
| E. | USED FAIR   | Used property that is usable without repairs, but is somewhat worn or deteriorated and may soon require repairs.   |
| F. | USED POOR   | Used property that may be used without repairs, but is considerably worn or deteriorated to the degree that remaining utility is limited or major repairs will soon be required.   |
| G. | SALVAGE     | Property has some value in excess of its basic material content, but repair or rehabilitation to use for the originally intended purpose is clearly impractical repair for any use would exceed 65 percent of the original acquisition cost. |
| H. | SCRAP       | Material that has no value except for its basic material content.  |
